1. All offices, plants or other premises where the Company's business is conducted.
2. All company-related activities performed at any other site away from the Company's premises.
3. Any social, business or other functions where the conduct or comments may have an adverse impact on the workplace or workplace relations.

DEFINITION OF SEXUAL HARASSMENT:

What is Sexual Harassment?

Sexual Harassment includes such unwelcome sexually determined behaviour, as physical contacts and advances, sexually coloured remarks, showing pornography and sexual demands whether by words, gestures or actions.

Such conduct can be humiliating and may constitute a health and safety problem.

It is discriminatory when the complainant has reasonable grounds to believe that his or her objection would disadvantage them in connection with employment, including recruiting or promotion or when it creates a hostile working environment.

Sexual harassment includes such unwelcome sexually determined behavior (whether directly or by implication) as:

- a) Physical contact and advances;
- b) A demand or request for sexual favors;
- c) Sexually colored remarks;
- d) Showing pornography;
- e) Unwelcome sexual advances involving verbal, non-verbal, or physical conduct such as sexually coloured remarks, jokes, letters, phone calls, e-mail, gestures, showing of pornography, lurid stares, physical contact or molestation, stalking, sounds, display of pictures, signs, verbal or non-verbal communication which offends the individuals sensibilities and affect her/his performance.
- f) Eve teasing, innuendos and taunts, physical confinement against one's will and likely to intrude upon one's privacy;
- g) Act or conduct by a person in authority which creates the environment at workplace hostile or intimidating to a person belonging to the other sex;
- h) Conduct of such an act at work place or outside in relation to an employee of Blossom or vice versa during the course of employment; and
- i) any unwelcome gesture by an employee having sexual overtones.

Sexual harassment is emotionally abusive and creates an unhealthy, unproductive atmosphere at the workplace. Sexual harassment cases can be classified into two categories:

- **quid pro quo and creation of a hostile working environment.**

- a) Under the **quid pro quo (meaning - this for that)** form of harassment, a person or authority, usually the superior of the victim, demands sexual favors for getting or keeping a job benefit and threatens to fire the employee if the conditions are not met.

- b) **A hostile work environment** arises when a co-worker or supervisor creates a work environment through verbal or physical conduct that interferes with another co-worker's job performance or creates the workplace atmosphere which is intimidating, hostile, offensive or humiliating and experienced as an attack on personal dignity.

For example: an employee tells offensive jokes.

No person shall indulge or caused to be indulged under instructions from superior in sexual harassment of co-workers.

However, an employee who is sexually harassed can complain about the same even if there is no adverse job consequence.

COMPLAINT PROCESS

Whether or not such conduct constitutes an offence under law and a breach of the employment rules, an appropriate complaint mechanism in the form of "Complaints Committee" has been created in the company for time-bound redressal of the complaint made by the complainant.
